** We request that rooms that are to be cleaned be “picked up” before our Cleaning Techs arrive.

** As we are a “green” cleaning service we do not use products with bleach. If there is excessive mold or stains in tile grout, we suggest having the grout professionally re-grouted and sealed. We can suggest companies that provide this service

*** We do not climb higher than a 2-step ladder. We do use extension poles for higher items that need dusting and cobwebbing.

A La Carte Services

Laundry, dishes, refrigerator detailing, blind cleaning (except for mini blinds), washing sliding glass doors, changing sheets.
